

IMS POLICY

Arab Paper Manufacturing Co. is a committed manufacturer of Sustainable Kraft paper through the process of recycling. Our premium products achieve customer delight whilst keeping a cleaner and greener footprint and engage the best manufacturing and environment friendly processes. We produce different grades of Kraft Paper from Recovered and Recyclable Fibers

It is our commitment to use our expertise and experience to provide a safe, secure and healthy working environment to our employees as well as channel partners (including temporary employees, contractors and visitors), to prevent injuries, pollution and minimize environmental impacts and energy losses.

This Integrated Management System Policy has been developed in line with our company Vision, Missions and Values. WARAQ Integrated Management System (IMS) is also committed to:

- Comply with applicable requirements of International Standards, strategic requirements, WARAQ directives and Quality (ISO 9001), Environmental (ISO 14001), Health and Safety (ISO 45001) and Energy (ISO 50001) standards;
- Applicable Legal and other requirements (Compliance Obligations);
- Eliminate Hazards & Reduce Risks
- To continually improve Quality, Health, Safety, Environmental & Energy performance;
- To ensure availability of information, sustainable resource use including procurement of energy efficient products.

WARAQ is totally committed to achieve this policy through the

- Established objectives at relevant functions, levels and processes,
- Continual improvement and maintenance of its IMS, and
- By clearly identifying, controlling, monitoring and measuring the potential risk to our business.
- Supports design activities that consider energy performance improvement
- Consultation and participation of workers
